A BILL

To require the Secretary of Education to ensure that local educational agencies establish full-time title IX coordinators to improve oversight, data collection on sexual harassment, student survivor support, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Supporting Survivors
5 of Sexual Harassment in Schools Act of 2020”.

1 **SEC. 2. FINDINGS.**

2 The Congress finds the following:

3 (1) Title IX of the Education Amendments of
4 1972 (20 U.S.C. 1681 et seq.) (in this Act referred
5 to as “title IX”) mandates that no individual in the
6 United States shall be excluded on the basis of sex
7 from participation in, be denied the benefits of, or
8 be subjected to discrimination under any education
9 program or activity that receives Federal financial
10 assistance.

11 (2) Although title IX protects against sexual
12 and sex-based harassment and violence, sexual as-
13 saults in K–12 schools and institutions of higher
14 education remain a pervasive problem.

15 (3) Peer sexual harassment is a significant so-
16 cial problem with consequences for both students
17 and schools. Four out of 5 students report experi-
18 encing sexual harassment. These experiences have
19 been linked to poor psychological health and aca-
20 demic withdrawal.

21 (4) Many school districts have only a part-time,
22 single title IX coordinator at the local educational
23 agency level to oversee principals, school-site specific
24 title IX coordinators, staff, and the safety of thou-
25 sands of students.

1 (5) Although educational institutions have a
2 legal responsibility to enforce, monitor, and respond
3 to sexual harassment and assault, far more students
4 experience sexual harassment than schools report.

5 **SEC. 3. DEFINITIONS.**

6 In this Act:

7 (1) SECRETARY.—The term “Secretary” means
8 the Secretary of Education.

9 (2) FULL-TIME LOCAL EDUCATIONAL AGENCY

17 hours per week, 160 hours per month, or full

7 7801(30)).

8 (5) SEXUAL HARASSMENT.—The term “sexual
9 harassment” means any unwelcome conduct of a
10 sexual nature, regardless of whether it is direct or
11 indirect, or verbal or nonverbal (including conduct
12 that is undertaken in whole or in part, through the
13 use of electronic messaging services, commercial mo-
14 bile services, electronic communications, or other
15 technology), that unreasonably alters an individual’s
16 terms, conditions, benefits, or privileges of an edu-
17 cational program or activity, including by creating
18 an intimidating, hostile, or offensive environment,
19 which takes the form of—

20 (A) a sexual advance;

2 mission to or rejection of such sexual act;
3 (D) a sexual act, where such submission or
4 rejection is used as the basis for a decision af-
5 fecting a term or condition of a program or ac-
6 tivity at a school or school activity, regardless
7 of a student's submission to or rejection of such
8 sexual act;
9 (E) other conduct of a sexual nature; or
10 (F) domestic violence, intimate partner vio-
11 lence (dating violence), and sex-based stalking.

12 **SEC. 4. PURPOSES.**

13 The purposes of this Act are to—
14 (1) support local educational agencies to ensure
15 that title IX coordinators at the local educational
16 agency level and at the school level have the support
17 to fully carry out their roles and responsibilities;
